

HES-A

HES-A15

- An economic walkie electric stacker with rated capacity from 1500kg to 2000kg and lifting height from 1600 to 3500mm which can meet customers' requirement for goods stacking. The long-tiller design makes the operator comfortable and safer during operation.
- High quality C steel, strong-power and high-performance lifting pump has high efficiency
- 24/85AH lead-acid batteries, ensure 6-8 hours working time.
- 24V0.75KW DC horizontal driving motor
- 24V 2.2KW lifting motor
- High quality controller with multi automatic protection to ensure stable operation
- Handle with Emergency reversing device/ emergency brake switch
